Fees Schedule 2021

Dear Parents/Guardians,

Please see attached - Fees Schedule for 2021

Turramurra Public School provides a diverse range of quality programs to support and enrich the core curriculum. Parents would know that the Government provides a comprehensive education for all students. However, most schools, and certainly ours, provide more than a “basic education”. Our school is extremely well resourced largely due to assistance from parents over many years.

The following table explains the items listed on your Term 1 account and each cost is itemised on your Statement of Account which is attached. Costs will vary depending on the activities your child will be involved in.

To discuss payment options confidentially, please contact Mr Moran.

Subject Contributions:

Early payment would be appreciated as these items are billed directly to the school.

| | |
|-----------------------------|---|
| Textbooks and Subscriptions | This amount varies depending on the student's year. It covers textbooks and online subscriptions (Mathletics/Literacy Planet/Phonic Hero) used by students. |
| LOTE Programs | French: K-2 only. Mandarin: Years 3-6 only You can elect to pay by the term or for the full year. |
| Computer Program | You can elect to pay by the term or for the full year. |
| Class Sport Program | Covers the full year. |

Voluntary Fees:

| | |
|---------------------|--|
| P&C Contribution | The P&C Association is run by elected volunteers and works with the school to provide extra resources. For more information, see the P&C page of the school's website. |
| School Contribution | This covers general costs, awards and some classroom equipment. |
| Library Fund | This is <u>tax deductible</u> and covers books and educational software. |

Thank you for your support. Your contributions significantly enhance the resources we can make available to students.

Anthony Moran
Principal

Victoria Brown
P&C President
