

Kindy Learning from home - Week 1

	Monday	Tuesday	Wednesday	Thursday	Friday	
Kindness Challenge	 This week we are focussing on spreading <i>kindness</i> and making others smile. Your challenge is to get ready for bed without an adult asking you.

When you go outside to investigate . . . there is a wombat!</p> <p>Use your imagination to create a story using the prompt above.</p>	<p style="text-align: center;">Handwriting</p> <p>Enjoy a handwriting lesson on Seesaw from Mrs Neeves</p> <p>You will need either a whiteboard and a marker or a pencil and some paper.</p>  	<p style="text-align: center;">Fun Fact Friday</p> <p>We have been learning all about wombats this week.</p> <ul style="list-style-type: none"> Can you write 3-4 interesting facts you have learnt or found out about wombats? Did you write a fact that was a Fun Fact? 
Reading			Enjoy Miss North reading 'Wombat Goes to School' by Jackie French 		Enjoy Ms Taylor reading 'Grandma Wombat' by Jackie French 	Enjoy reading a story on either Wushka OR epic!

Break

Complete your mathematics tasks.

Maths

October Long Weekend

Number card caterpillar

You will need

- sets of numeral cards from 0 - 12 or playing cards e.g. Jack=11, Queen=12
- A length of string

Set up one length of string each. Use two sets of numeral cards.

Shuffle the cards and place them in one central pile.

Take turns to turn over one card and place it in front of you, somewhere along the length of string.

The goal is to be the first person to complete the number sequence from 0 -12.

Challenge: Remove some numeral cards from the sequence or use a higher number range.

Food Sort

[Data and tally marks](#)

Look carefully at the food collection.

How many loaves of bread, bananas, pears and watermelons can you find?

As you count them, record the number with tally marks then write the numeral for how many.

Stampoline

Watch

[Numberblocks Stampolines](#)

In Numberblocks - Stampolines, the numberblocks were making stamps of themselves by dipping themselves into ink and then splatting on the wall.

Six looks like this →

What are all the different shapes Six could make playing Stampolines?

[Further instructions](#)

Can you come up with at least 5 different ways?

Use blocks, trace around something square or use paint and a square sponge.

Record your thinking and post it on Seesaw.

Coin Bingo

Watch the [money video](#).

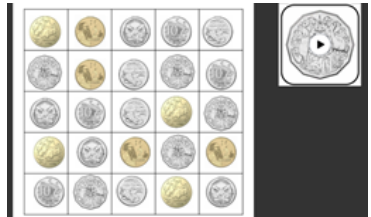

Take a close look at the pictures on our coins.

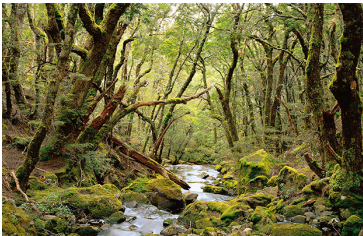

Play Coin Bingo on Seesaw.

When you spin the coin, click once to start the spin and a second time to stop.

Create your own coin.

What would it look like? How much is it worth? What is on the front and back?
