

Stage 2 – Extra Ideas

Below is a list of extra things you might want to do at home if you are looking for some ideas to fill your time.

Please note, the tasks in the weekly program should be more than enough to work on each day.

Remember the school values when you are working! Be Respectful to your family, take Responsibility for your learning and always aim for your Personal Best.

There are [a heap of extension activity ideas](#) on the bottom of the Stage 2 section of the school website that you may want to do. You may also like to:

- Create an artwork
- Work on a personal interest project
- Write a script for a play
- Write/compose a song
- Build something – like a guitar, furniture, etc.
- Develop a plan for a solar powered car
- Develop a recipe
- Design and make some jewellery
- Demonstrate how to do something/play a game/magic trick
- Research your genealogy
- Invent something - [see this video first](#)
- Conduct an experiment
- Perform something – dance/music/comedy
- Design clothing/new school uniform
- Develop your own video game
- Write a book
- Listen to today's episode of [The SQUIZ Kids Podcast](#)
- One of the tasks listed on the following page.

You are doing a great job boys and girls!

Your very proud Stage 2 teachers

Freedom maths Activities	Freedom literacy activities	Freedom art activities	Freedom outdoor activities	Freedom family activities	Freedom stem activities	Just for fun.
