

PHONICS – worksheets with audio

An activity for the student to practise at home to learn the sounds of the letters which make up the English alphabet.

Parents:

1. Open the PDF and print or view in your internet browser (opens in new tab).

Student: sits at the computer

2. To practise the sounds the student must have a copy of the letters and the pictures in front of him/her printed, or view on the screen.
3. The student opens the audio recording and follows the instructions. The student must point to each letter and say it with the voice they can hear.
4. The activity should be repeated over several days until the student can say the correct sound for each letter.

Thank you
