

Principal's Message:

Dear Parents and Carers

Our Cross Country was run today and I congratulate all our students for their perseverance and sportsmanship. This is a challenge for all and the classes did their absolute best to make it to the end. Well done TPS!

Congratulations to our School Medal recipients yesterday. Sadly, I was at a Principals Training Day in the city and missed the Assembly. Please see the photo of all our wonderful Medal winners.

Our roofing works have been completed in the K-2 area and all is back to normal there. Canteen is now open as usual. The Works continue in 3-6. The fencing is designed to make the school very safe and there are no Works that will create dangerous areas. In response to parent concerns we have removed children from rooms during the removal of tiles. The Works will be complete in a few weeks. We are working very closely with the roofers and they are very receptive to any issues you foresee.

Start Smart lessons commenced yesterday and are going well with all classes to get free financial literacy lessons over the week.

We have two new After School Programs commencing this week. Dance on Wednesdays in the Hall for K-2 and Coding in the 3R classroom also on Wednesdays. This program is very popular and is now full. I am happy to look at an additional class in Term 3 but due to the roofing work I have chosen to leave it as 1 class for now.

School photos are nearly here, next Tuesday May 14th. Full Winter uniform for all students.

Our Dance lessons for all students to supplement our PE Program will commence in Week 4. All classes will have Dance lessons that we will share on Grandparents/Open Day in Term 3.

Mother's Day Stall is on Friday. Thank you to our wonderful mums for organising some beautiful gifts for the children to take home.

Wishing all our mums a very special day on Sunday.

Enjoy the week ahead.

Principal

Sport News

What a glorious morning we had weather wise today for our School Cross Country. It's always wonderful to see our whole school come together for these sporting carnivals, from the 5 year olds to the 12 year olds, there were smiling faces all around. Thank you to those parent volunteers who assisted with the lap marking, we always appreciate the help from you. The first 6 go through to Zone Cross Country which will be on Monday 27th May with Monday 3rd June as the back-up date. If the results are ready they will be published elsewhere in the Newsletter this week and if not, they will be in next week's Newsletter.

Unfortunately, our PSSA games were washed out last Friday. The weather looks more promising this week! The draw is in this week's newsletter.

Enjoy your week,

Ryde District Leadership Camp 2019

Awesome games, new friends and leadership skills. That is what I experienced last week at the Ryde District Leadership Camp, 2019. We spent two days at the camp and it was so much fun. In addition to doing awesome activities it helped my leadership and social skills in general. Our main goal was to meet at least two new friends but I met so many more. At first everyone was a bit shaky and nervous but by the end, no-one wanted to leave.

During the leadership talks, we learnt that it can be quite a journey making tough decisions and ignoring criticism from others in order to be a good leader. It's important to push through and keep on going. I thank them so much for showing me a different perspective of being a leader while having so much fun. I feel so privileged to have had the experience of going to the camp and meeting new people and challenging myself in new ways.

P&C Update

Welcome back to Term 2 everyone. Hopefully the children (and parents) all had a relaxing break and are ready to go.

Thank you to all the amazing Class Parents who are currently organising our stalls for the Election next week, and also the Mother's Day Stall. Your hard work is very much appreciated.

If you haven't already liked the P&C Facebook page you can find it here facebook.com/TPSPnC

And don't forget that the **next P&C meeting is on Tuesday 21st May at 7.30pm** in the Primary Staff Room. See you there.

Vacancies for Term 2 -Tennis 2019 at T.P.S

Welcome back everyone hope your break went well.

Just a reminder that the closing date to join my **existing** tennis classes is the end of the 2nd week of Term 2. Please note that only certain ages are on each day though I try to accommodate as best I can there is not a group for every age on every day.

However there is plenty of time i.e...no closing date if you are **creating your own totally new group** with some friends of your child. Mon, Tues and Friday mornings before School are available **if you can form your own group** or of course Private one on one lessons with me is always an option. Mornings are a good way of getting 25% off normal rates.

A rare 3.15pm on Monday is currently available **for those wishing to form their own group** or do Private 1 on 1. It's one of the most popular times being 10mins after the bell but from experience it won't stay vacant for long.

All parents will need to read through my site www.tenniscoachnorthshore.com.au as it has important info re: cost, terms and conditions etc. My phone number is on the site but I will put it here for your convenience. **0431-200-480**

Have a good Term and see you on court.

Band Festivals

Band performance times will be sent to you as soon as we have confirmation from festival organisers - for Ryde East this is expected only the week before, due to the number of bands competing.

******PLEASE NOTE******

If you have a date clash and your child is unable to attend the festival their band is playing at, **please provide 4 weeks' notice to Mr Rowland and your Band Manager(s)** (by email) so that the right pieces of music can be chosen for the instruments that will be playing!!

Band Uniforms

Please get your band uniform ready, as competitions for the year are coming up!

- Black pants - no dance pants, tracksuits or $\frac{3}{4}$ pants
- Band shirt (available from the TPS uniform shop)
- Black shoes and **black socks** only

Hair should be neatly combed and, for the girls, tied back with hair elastics the same colour as their hair. Gold ribbons for the girls will be handed out by the Band Managers, the ribbons will be collected as soon as the performance is finished to ensure we have a full set for the next performance. Each band has its own set of ribbons.

FOLDERS: All band members should have a BLACK (or clear cover with TPS logo) folder/display book in good condition for their music. This looks very professional when performing, so it would be great if all students could please have one by their festival performance.

If you have any questions or concerns please e-mail
Band Director, Mr Rowland at tpsbands@outlook.com, or either of your Band Coordinators
Kerry Medd or Liz Maund-Arnott at tpsbandcoordinators@gmail.com

ROAD SAFETY INFORMATION

YOU ARE RESPONSIBLE FOR YOUR CHILDREN'S SAFETY WHEN THEY ARE TRAVELLING TO AND FROM SCHOOL.

Walk safely

Always hold your children's hands – when walking on the footpath, in the car park and when crossing the road – until they are at least 8 years old.

When your children are between 8 and 10 years old, supervise them very closely when they are near traffic and crossing the road.

When you decide to let your children over 10 years old walk to and from school by themselves, plan the journey together. Practise being a safe pedestrian by:

- keeping to the left of the footpath
- being aware of vehicles coming in and out of driveways
- not being distracted by mobile devices or by other people
- using a safe, alternative way home in wet weather
- showing respect to other pedestrians.

STOP! one step back from the kerb.

LOOK! continuously look both ways.

LISTEN! for the sounds of approaching traffic.

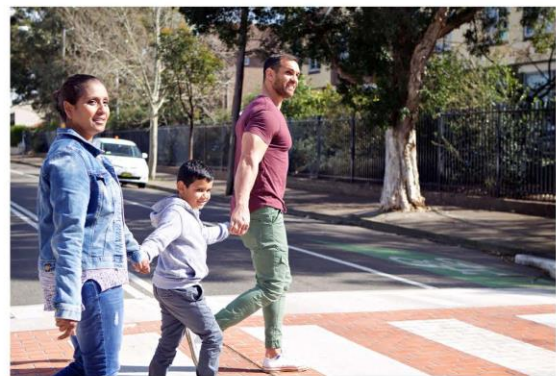

THINK! is it safe to cross?

For further support

Go to the department's Road Safety Education program at <https://education.nsw.gov.au/road-safety-education> or visit <https://education.nsw.gov.au> and search for road safety education.

Encourage your children:

- to always use a safe place to cross the road such as a pedestrian crossing, traffic lights or a school crossing, if available
- to check for turning vehicles before they cross the road and driveways
- never to assume that a driver can see them or will stop for them
- to make eye contact with a driver so they know the driver has seen them
- to wait till the driver has completely stopped their vehicle before they cross the road or driveway.
