

Principal's Message

Dear Parents and Carers

We had a wonderful Education Week last week with so many people in the school to visit classrooms and enjoy our performances. Thank you to everyone who attended. Our teachers work very hard for your children and were so happy to share their rooms with you all. Thank you again to our Stage 1 parents for providing so much lovely morning tea for our visitors. It was greatly appreciated.

We celebrate Science Week this week in classrooms with a new curriculum to work with, teachers are keeping this low key but they are addressing the week for our students in their own rooms.

Book Week is next week with some wonderful presenters for all classes. All the short listed books will be available very soon for the children to borrow.

Brodie Shearer of Year 6 was presented with an award yesterday at our Assembly for his artwork about the human brain. Congratulations Brodie and thank you from the School for the \$1000 prize and brain pack that we received. This will go towards Year 6 materials so that Brodie can see the benefit. 6P had an interesting presentation from Sydney University Students about the brain prior to the Assembly. (photos later in the newsletter)

Our Junior Band played beautifully at our 3-6 Assembly. It is wonderful to see their progress in 6 months.

After trialling eating outside once again this Term we have decided to go back to eating in our rooms. We love our birds and sadly they love our food. We have had too many close calls with the kookaburras of late and hence the decision to eat lunch inside. We are looking out at morning tea and may need to return to our rooms for this as well.

Well done to all our Year 6 Peer Support leaders. The program has been very beneficial and the students have worked very hard with their groups. The opportunity to lead and present is challenging and all have risen to the challenge with determination.

Our P&C Meeting will be held tonight in the Staffroom at 7:30pm. All are very welcome to attend.

Don't forget to buy your **"Comedy for a Cause"** tickets this week. The event is on Saturday. It will be a great night. Flyers were sent to families this week as a reminder.

We have works commencing soon to replace the cover around the Kindergarten seating. This will be cordoned off briefly while the work is completed. The old 'carpet like' cover is a trip hazard and is not pleasant to sit on. The new synthetic grass will give the area a much needed face-lift. The multi-purpose court will also get a new surface in the October holiday break.

The Primary play equipment is now approved and ready to go. Well done to all our P&C for following up on this. It has been in the pipeline for some time but now we will see it come to fruition. Thank you to Briony Foster for her work with this.

A number of our Year 5 and 6 students competed in the Zone Orienteering event in St Ives on Monday. This was a result of our work with Sporting Schools in Term 2. Well done.

Orientation Night for Kindergarten 2020 is nearly here. Please save the date and note that this may have been on your calendar for Wednesday evening. It is actually on **Thursday 29th** at 7pm in the Hall. We look forward to meeting new and existing families for this important information session.

Planning Ahead...

Tuesday 13th August
 Friday 16th August

Saturday 17th August
 Monday 26th August
 Thursday 29th August

- P&C Meeting 7.30pm
- PSSA Semi Finals
- Soccer & Netball @ Montview Oval
- AFL @ Foxglove Oval
- Comedy For a Cause – P&C Event
- Medal Assembly
- **Kindy Information Evening 7pm**

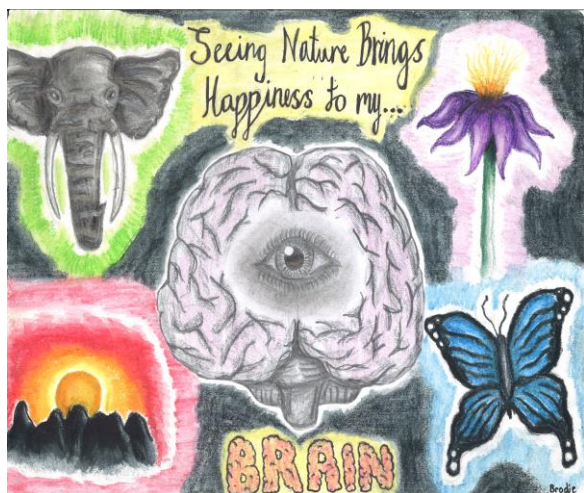

There is a large amount of lost property at both ends of the School. We do try to return named items when time allows. I know how expensive lunch boxes are and they seem to multiply overnight. There is a large box at both ends also brimming over with lovely almost new items. Children are welcome to check these at lunch and recess time. Parents at any time.

Have a great week

Sport News

What a busy week! Mr deJager has been busy doing extra training for Zone Athletics. This continues into this week and until the Carnival. Mondays for discus and shot put, Thursday for high jump and long jump and Fridays for relays. Thanks to those who've been coming. It is especially important for the relay team to all be here on Fridays to practise together.

We head into the Semi Finals of the PSSA competition this week. It's good to see 11 of our 15 zone schools represented in the finals. TPS has the following SENIOR teams in the semis this week:

These will be played at Montview:

Netball (vs Warrawee)

Boys' Football (vs Berowra)

Girls' Football (vs Mt Colah)

This will be played at Foxglove Oval:

AFL A (Pink Team) (vs Wahroonga 2)

Congratulations on making the semis (Thanks to our super coaches!!) and best of luck! All AFL PSSA teams will be playing friendly games as is the usual custom, at Foxglove.

In other news, Brodie Shearer and Jimmy Thebridge attended the Pacific Games Trials last week. Brodie made it through to both the 200m and 100m finals, achieving excellent PBs in the heats (13.62 for 100m and 28.11 for 200m) and then came 8th in both finals out of 10 kids. Jimmy came 3rd in his 100m final and he also won long jump! Well done Jimmy! He goes off to Nationals in Darwin in mid September.

Have a lovely week

Can parents with dogs please refrain from standing around the main gate in the afternoons as many of our students like to stop and pat the dogs. Our crossing co-ordinator, Kerry is unable to see the children wanting to cross.

Library News

Open Day Book Fair

We wish to extend a huge thank you to all the fabulous grandparents, parents and students who bought books at our book fair! We are extremely happy to now have over 100 new donated books and \$880 to spend! Your generosity helps to provide the school with quality literature and resources which support our teachers and students. Your support is much appreciated!

2019 Premier's Reading Challenge

Congratulations to the following students who have now successfully completed the Challenge: Marianne Mai, Madeline Keen, Eve Treston, Kiara Bouteloup, Emilie Purkiss and Emily Poh. Well done!

The PRC is drawing to an end so please ensure all books are registered online (K-2 need to read 30 books and students in Years 3-6, 20 books) by **30th August**. Students use their Computer lesson username and password to login at <https://online.det.nsw.edu.au/prc/logon.html>

Book Week

Book Week runs from 17th – 23rd August and this year's theme is *Reading is my Secret Power*. Students in K-2 have been exploring the Children's Book Council of Australia's Short listed titles and completing related art /craft projects for display in the library. Students in Years 3-6 have been preparing individual book reviews which will be posted on our library management system (OLIVER) for all to access.

Book Week Performance

In celebration of Book Week, all TPS students (Kindergarten to Year 6) have the opportunity to attend a performance at school entitled *Big Dreams* on Wednesday 21st August.

Big Dreams is a brand new educational musical to celebrate the best of Australian children's books from The Children's Book Council of Australia 2019 shortlist, and the CBCA Book Week 2019 theme READING IS MY SECRET POWER. This heartfelt and inspiring in-school production looks at different episodes in each character's journey where they learn not to be discouraged by negative messages in order to follow their heart's desire. Filled with humour, suspense and featuring student interaction throughout, this educational musical adventure encourages your students to pursue their ambitions. If you're going to dream, let them be Big Dreams!

In order for your child to attend, permission forms need to be returned to the TPS Office (or the classroom teacher) with payment (\$8) **by 14th August please.**

Book Covering

We are currently seeking volunteers to help cover our new books. Please contact us in the school library if you are able to help.

Many thanks

Peer Support

The final session in our “Stronger Together” Peer Support module summarised skills learnt in previous sessions and provided an opportunity to plan to implement further initiatives across the school.

Students will be able to identify personal and whole of school goals to further address bullying and build their own resilience. Ask students what they have learnt and what else they would like to learn about having good relationships. Contact us with your ideas.

Thank you to all the participating students, the Peer Leaders, our staff and you as parents for your support.

Moolu The Cow

By Lachie Hooke, Ava Livesey and Emma Bower of 6J

For the past term 6J has been working on a cow named Moolu. Now you may have caught a glimpse of her on your way in and out of computers, but she's much more than just a nice cow.

6J is entering Moolu into a competition called the 'Picasso Cows', which has inspired creativity and learning for almost ten years.

What is Picasso Cows? Well, Picasso Cows is a competition where public schools around NSW compete in painting the best cow. But the free program isn't just about learning how to paint a cow. The program was also made so that students in the city can learn about how milk and dairy farmers work in the country. The winner of the competition will win a huge \$2,500 prize which 6J will donate to the school if they win.

The day Moolu arrived, it was quite a shock for year six to find a life-size white cow standing in the foyer, and nothing to explain what it was doing there! The word had spread like a virus, and soon it seemed the whole year was flocking to the foyer to see the giant white cow. And then the news came that it belonged to 6J. Wow. We were elated-- it was ours! Despite the obvious confusion of what a cow was actually doing there and the hilarity of the situation, the main emotion inside most of us was jubilation. There was a cow in the foyer, and it belonged to us!

As we gathered into the classroom buzzing with excitement, we were finally told the purpose of the unexpected bovine: We were going to paint it! Soon after, we all racked our brains for the perfect name. We wanted a pun for the cow's name, which led to some interesting hybrid names like Mairy and of course Moolu, a combination of 'moo' and 'Lulu'. Other names included Clippy, Melk, LuFu, Betty, Cookie and others. After a discussion on the matter of names we voted, and the most popular name was 'Moolu'.

We had tons of fun designing what would go on her before we painted. There were some amazing ideas, but eventually we decided we would have an eco-friendly farm with farmers holding the Earth in their hands. Pencilling the cow was fun too. With a few changes, we took what was on the paper designs and drew them onto the cow. At first, with all the rough pencil lines and the amount of smudging that covered the cow, Moolu didn't look very good at all. In fact, according to some kids, the pencils 'killed her'. But all of that was about to change, because soon, we were going to start the painting!

If the pencils really did kill her, she was certainly revived the moment brush went to canvas. A splash of colour makes all the difference, and as we added details, light and shadow, the cow was really coming together. A lot of changes were made to the original design, and even the first layer of paint. For example, the farmer originally had a moustache and pointed cap, but this was changed to a straw hat and stubble for more of a farmer look, and his wife used to have short brown curls that were changed to the long, silky golden hair she wears today and her red and green jacket was changed to purple.

6J loved this experience, painting Moolu. On behalf of 6J we would like to thank everyone who contributed towards Moolu and especially Mrs James. Another thank on behalf of 6J is Grace, Elyse and Jemima; for taking all their time on Moolu. We have taken this opportunity of a canvas cow and turned it into a masterpiece. Moolu says "thank you for painting me!"

The design of Moolu was:

Both sides of Moolu were going to be two farmers holding the earth. With the sun on the top of the spine and sea birds beside. The head was going to be products being separated into segments.

The modifications on the design were that:

Both sides were different. One side was the two farmers holding the earth and the other side is the farm landscape. The farm landscape is detailed in many ways. All of 6J painted on Moolu and we all had an amazing experience.

Comments:

"It was an amazing experience. I really enjoyed painting the faces and deciding what would go where" - Emma

"One of the greatest and biggest art projects I've ever done," - Lucas

"Moolu is an amazing cow and I loved painting her," - Mia

"Thank you Mrs James and I enjoyed this chance to improve my art skills." - Ava

"It was a very hard challenge but worth it though" - Lachie

"We loved this opportunity and all this effort was worth it" - 6J

In a couple of days 6J will send Moolu to be judge in the competition. Fingers crossed for Moolu!

So you think you are funny!?!

Local artist Alexandra Nea has created 3 unique drawings for TPS, that are funny and will inspire the comedian in you. Join in the fun at the comedy night and for a gold coin create a caption for each drawing (or more...).

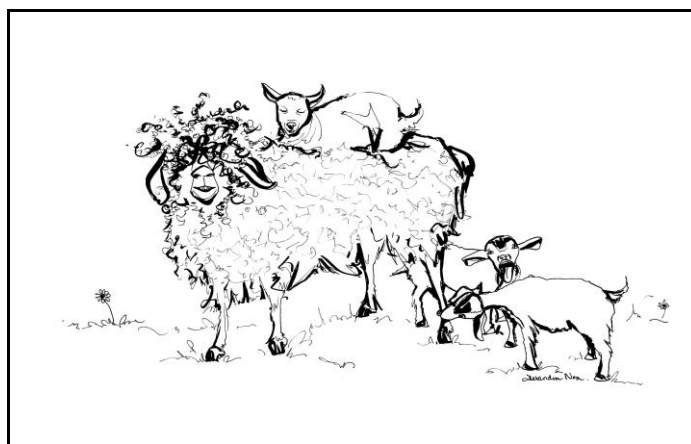

The funniest caption will win the original art work with the caption added to the art by the artist herself!

Alexandra is a member of the Turramurra Public school community and a Mum of one of our Kindy Kids.

Alexandra illustrates what inspires her: fashion, beauty, vintage wares and food, botanicals, families and children, together with her whimsical bridal illustrations all created in her detailed signature, exaggerated fashion style; see: <https://alexandranea.com.au/>.

For The Comedy Night, Alexandra created 3 beautiful illustrations, titled: The School Pick Up, Motherhood and 2 Dogs. Do you have what it takes to win one of these? Come to The Comedy Night and add you witty caption to these illustrations for a chance to win one of these.

School Banking News:

School Banking day is Monday

Remember, Monday is School Banking day and students should bring in their weekly deposit. For every deposit made at school, students will receive a silver Dollarmite token. Once students have individually collected 10 tokens, they can redeem them for an exclusive School Banking reward item in recognition of their regular savings habits.

HOW TO REDEEM YOUR TOKENS FOR A REWARD ITEM

To redeem your reward item from School Banking:

- Complete a Rewards Card slip by writing in your details and ticking the item you would like to redeem
- Place the slip in your yellow Dollarmite wallet with your 10 Silver Dollarmite tokens;
- Hand it in with your School Banking Deposit on School Banking Day.

WHAT YOU NEED TO KNOW ABOUT TOKENS:

- One silver Dollarmite token will be issued for every School Banking deposit made (maximum of one per week).
- You need to have made 10 School Banking deposits to redeem a reward.
- Tokens do not expire. If you don't have enough tokens at the end of any year, you can save them for the next year, until you have 10 tokens to redeem for a reward item.
- Tokens cannot be pooled between, or given to, siblings or friends to get rewards faster. The School Banking rewards program is designed to reward individual savings.
- All rewards are available to order from the term listed and are offered only while stocks last.
- Your deposit/token count is electronically tracked by School Banking, so it doesn't matter if you lose your Silver Dollarmite tokens.
- You can also track your tokens on our new, fun, easy to use CommBank Youth App (visit www.commbank.com.au/schoolbanking for more details).
- If you forget to put your School Banking in one week, you are unable to make 2 deposits the following week for 2 tokens. Maximum of one deposit/one token per week.

If your child has lost their book, they can bring their money to school in a sealed envelope with a note on the next School Banking day. We will issue them with a replacement. If you would like to get more information, school banking brochure "School Banking Program 2019 For Parents" is available from school office.

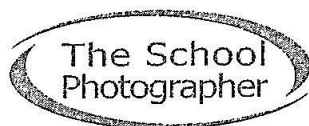

The rewards available during 2019 are:

- Scented Stackable Highlighters
- Snowy Origami Set
- Icicle Slapband Ruler
- Yeti Fluffy Notepad
- Arctic Owl Fluffy Keyring
- Scratch Art Cards

Available in term 4:

- Water Skimming Bounce Ball
- Polar Pencils & Pencil Toppers
