Issue 29 – Tuesday, 17th September, 2019
Term 3 Week 9

Principal's Message

Dear Parents and Carers,

Congratulations to our Zone Athletes Team for their wonderful achievements last Friday. A large number of our students gained places in their events and will progress to the Area Carnival. This will be held in Term 4, October 16th. Well done everyone! All the training has been very beneficial.

Thank you Mr deJager, Ms McGuire and Mrs Levin for your assistance and training.

I have included information regarding Before and After School Care from our department which asks for input from parents.

The file has a link to a survey which they would like input from you as users or potential users of our facilities. I urge you to have your say. I have sent the relevant information to the President of the OOSH Committee for reference.

Code Camp finishes for the Term this week but will recommence in Term 4 for another 8 week term. Enrolment is essential.

May I take this opportunity to wish you all a lovely break. I will be working from Barkers Vale Public School next week. I look forward to a very busy and exciting Term 4.

Have a great week.

Margaret Foott
Principal

From The Office

We have had cases of Chicken Pox in Years 2 and Kindergarten. Symptoms include a rash that starts as raised pink spots that blister and scab. Children will need to be kept home for five days after the rash first appears and until the blisters have all scabbed over.

A reminder that Term 3 Dance fees are now overdue, please make your payment by POP or at the Office ASAP.

Thank you

Sport News

We had a most successful day on Friday, down at Narrabeen. An early morning shower and ill-timed sprinklers didn't dampen any enthusiasm our team of 57 athletes had. All were excited and ready to give it their best shot. Mr deJager and Mrs Levin kept a close eye on our field events. Many TPS students placed in the top 3 of their event. As a recorder, Ms McGuire watched the timing very closely and was thrilled to see many TPS students making finals and then even winning those finals! **Overall, out of the 15 schools in our zone, TPS placed second to the Bush School.** It was a mighty effort by our students, one of the best results we've had in recent years. We have a lot of students heading to Area in October. The full list will be published in next week's newsletter when the field event results have been released. All students with Area notes need to get them in for signing by Ms McGuire or Mr deJager as soon as possible.

Planning Ahead...

Week 9 Band News

"MUSICALE"

What a great night was had by all at MUSICALE last Tuesday night.

It was great for our bands to show their talent and team work to parents and schoolmates alike. We acknowledge Mr Rowland's efforts in making the TPS band program such a great opportunity for the students of our school to become involved in, a night like this shows how hard the students and Mr Rowland are working.

Also a big thank you band managers for overseeing the setting up of instruments before the evening began and packing up afterwards - many hands make light work.

"MUSIC BY MOONLIGHT"

Dear Parent/Guardian

School Run4Fun Colour Explosion

We're turning our event from bland to GRAND this year by adding an explosion of colour. The more money we raise the more we can provide for the students through vital school resources. We are also donating a percentage of our fundraising funds to Stewart House which is our schools charity of choice. To find out more information you can visit their website www.stewarthouse.org.au

The School Run4Fun Colour Explosion will be held on **Thursday 24th October** starting at **2pm**. We do ask that you bring a spare change of clothes to school, most importantly a plain white shirt as the students will be covered in powder from head to toe. The day's focus is on fun and fitness with the added benefit of raising funds for our school.

Colour Powder

The colour powder used in our event has been sourced direct from India, the home of Holi Powder. It is made of high quality corn starch and permitted food colours. It's non-toxic, biodegradable, skin safe and environmentally friendly. Toxicological Risk Assessment and ingredient listings can be obtained from the School Office upon request. Students with asthma are advised to be careful in their decision to participate.

How Does My Child Fundraise?

Students have now received a Sponsorship Form with instructions on how to raise money and order prizes. Students obtain donations in cash using the Sponsorship Form together with online fundraising.

Students who raise as little as \$10 or more will receive an incentive prize for their efforts. But why not aim higher? You have the option to choose up to five (5) prizes and this will set your fundraising goal. Family and friends are your greatest supporters, so ask them first for your support. You will reach your fundraising goal in no time.

Student Profile Page

Create a Student Profile Page at www.myprofilepage.com.au which is unique to you. There are also some great features like recording your sponsorships and selecting your prize goal.

You can also register for online fundraising. It's the easiest way to help your child raise money and to reach your fundraising goal sooner. Parents must give permission for this.

WIN A SHARE OF \$200,000 WORTH OF FREE SPONSORSHIP DONATIONS. Create a Student Profile Page at www.myprofilepage.com.au and enter your unique code found on page five (5) of your Sponsorship Form to see if you're an instant winner. Give your fundraising goal a kick start!

How to Order Prizes?

To reward your child for their efforts, they will receive incentive prizes based on the total amount of sponsorship dollars raised in cash, online, and if applicable, any **FREE SPONSORSHIP DONATIONS** won using the unique code on page five (5) of the Sponsorship Form. You have two options to place your prize order:

1. Login or create a Student Profile Page at www.myprofilepage.com.au. Once the fundraiser has finished, click the 'ORDER MY PRIZE' button and then confirm your total amount raised and order your prize/s, **OR**
2. Complete the back page of the Sponsorship Form and return to the school.

Please note, all donations need to be finalised on or before (**Tuesday 22nd October**). Student prizes will be delivered shortly after.

Thank you in advance for your participation, and get ready for a BLAST OF COLOUR! Happy fundraising!

Rachel Wilson and Vanessa Forte (on behalf of the P&C)

Dear Parent/Guardian

RE: School Run4 Fun Colour Explosion – Parent Consent

Thank you in advance for supporting the P&C with the School Run4Fun Colour Explosion. The run is just 6 weeks away so we hope your children enjoy this fundraising experience. The run will be held on Thursday 24th October at 2pm.

It is our responsibility to seek permission for your child to participate in the School Run4Fun Colour Explosion. All measures have been taken to ensure that this event is safe for all students.

There will be various colour powder stations throughout the course with two designated lanes – one for colour powder, the other with no powder. Your child can still participate in the event should you not wish for them to be sprayed with colour powder.

The staff will do their best to throw the powder at the torso, however wind and other factors can cause the powder to protrude on the face. Your children will receive some sunglasses that they may wish to wear to protect their eyes.

The colour powder used in the event is non-toxic, biodegradable and environmentally friendly consisting of 98% corn starch and 2% food colouring. It will likely washout of your child's clothing, however we recommend that your child wears a plain white shirt that you don't mind being coloured. That's what the event is all about!

Based on the toxicology profiles of the powders used, their concentrations in the formulation and the mode of use, the colour powder is considered safe for use. Students with lung issues such as asthma are advised to be careful in their decision to participate.

Should you wish to view the ingredient listings and toxicology risk assessment of the powder, please see the staff in the Administration Office.

Get ready for a **BLAST OF COLOUR**, and thanks in advance for your support! Happy fundraising!

IF YOU DO NOT COMPLETE THE BELOW CONSENT FORM THIS WILL CONFIRM THAT YOUR CHILD CAN PARTICIPATE

SCHOOL RUN4FUN COLOUR EXPLOSION PARENT CONSENT FORM

Please complete and return to the Administration Office if you **DO NOT** consent for your child/s to participate in the School Run 4Fun Colour Explosion.

I, do not wish for my child/s stated below to participate in the School Run4Fun Colour Explosion.
